Performance orientation of KVKs

5412. SHRI SURESH PACHOURI: Will the Minister of AGRICULTURE be pleased to state:

(a) the basic objectives behind setting up of Krishi Vigyan Kendras in States;

(b) how far thesehave been able to achieve the objectives; and

(c) the details and measures taken by Government to make these KVKs more performance-oriented?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI HUKUMDEO NARAYAN YADAV): (a) The basic objectives behind setting up of Krishi Vigyan Kendra (KVK) are on farm testing -to identify the location specificity of technologies in various farming systems; frontline demostrations to establish its production potentials or farmers' plots; training of farmers to update their knowledge and skills in improved agricultural technologies and training of extension personnel to orient them in the frontier areas of technology development.

(b) During 2000-01 the KVKs have conducted training covering 4.53 lakh farmers, rural youths and extension personnel; 22,896 frontline demonstrations and a large number of on-farm trials besides organizing 10,182 extension activities. The KVKs produced 2211 tonnes of seeds of cereals, oilseeds, pulses and vegetables, and 24.46 lakh saplings/seedings of fruits, vegetables, spices and other species for availability to the farmers.

(c) The details of measures taken to make these KVKs more performance-oriented are as follows:

- Each KVK has been provided with a multidiciplinary team of subject matter specialists.
- The Scientific Advisory Committee (SAC) for each KVK has been constituted including the representatives of farmers, research institutions, development departments and other related agencies to guide in formulation of need based action plan and review its activities.
- Zonal/State Level Workshops of the KVKs are organised to review its functioning.

• Quinquennial Review Teams (QRT) are also appointed to make comprehensive review of the functioning of the KVKs.
